

Supreme Court vs The People

—o— Continued from page 1 —o—

B'nai B'rith (Jewish FBI). Appendix 9 of the Special Committee on Un-American Activities, 1944, identifies him as President of the Chicago Chapter of the National Lawyers Guild at the time he sponsored the Chicago Conference on Race Relations, 7/22/39, a cited Communist-front operation. The National Lawyers Guild has been repeatedly cited not only as a Communist-front but as the legal arm in the United States of the Communist Party. And Goldberg was President of its top chapter outside of New York City! (p. 610) He was also a sponsor of the Washington, D. C., Conference on Constitutional Liberties in America, June 7-9, 1940, a cited Communist-front enterprise which launched the National Federation for Constitutional Liberties. At the time of the holding of this Conference, the Communist Party was working under the line determined by the Stalin-Hitler pact. (p. 651) He was a sponsor of the National Emergency Conference which met in Washington, D. C. on May 13 and 14, 1939 to map plans of action against a number of bills in Congress which would require deportation of Communist aliens, enforce registration, fingerprinting, and imprisonment of Communists, etc. This was a cited front. (p. 1206)

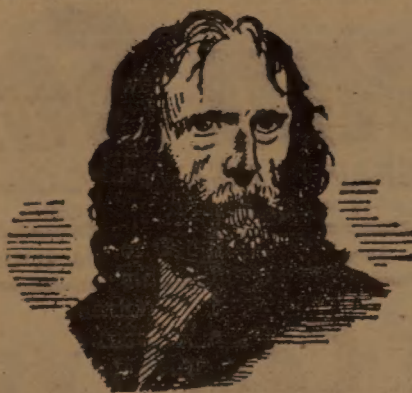

In 1956 Goldberg was a member of the administrative committee of the National Civil Liberties Clearing House of Washington, D. C., the advisory board of which included Walter P. Reuther. Its treasurer at that time was Herman Edelsberg ☆, of the ADL; its vice-chairmen included Irving Ferman ☆, of the cited Communist-front American Civil Liberties Union and John J. Gunther ☆, of the Americans For Democratic Action, a marxist political action organization. Representatives from the National Conference of Christians and Jews, the American Jewish Congress and the NAACP were co-members of the administrative committee with Goldberg. In 1957 Goldberg was still on the committee, along with a representative of the American Jewish Committee as Treasurer; Herman Edelsberg was Chairman and Kenneth Birkhead of the very pink American Veterans Committee was a new vice-chairman. (See letterheads of NCLCH.)

In 1957 Arthur J. Goldberg was a member of the executive board of the Religion and Labor Foundation, a cited front. Co-members of the board with Goldberg included Communist-fronters Henry Hitt Crane, Jerome Davis, Benjamin Mays, A Phillip Randolph, and others. (See program for 4/24/57 Social Justice Award to Communist fronters Herbert Lehman and Martin Luther King.)

The Internal Security Sub-committee held hearings on "Interlocking Subversion in Government Departments" on May 19, 1953, Part 8, and during the testimony of one Charles Flato (pages 501-2) he swore that he had been sought out by Arthur Goldberg to do some writing assignments of pamphlets for the CIO in 1948 and 1949. He also declined to answer whether he was a member of the Communist Party during the period he worked for Goldberg.

Arthur J. Goldberg was a member of the board of directors of the Fund for the Republic as late as January 1961 and of the Carnegie Endowment for International Peace in 1960. There is a wealth of material on the subversive nature of both organizations. Alger Hiss was President of the latter organization. He has been the general counsel for the AFL-CIO, United Steelworkers of America, the ILGWU (David Dubinsky's union), the Textile Workers Union, the Transport Workers Union (Mike Quill), the American Newspaper Guild and others. Goldberg suggested and secured the appointment of at least four high union officials to top post in the Department of Labor. Back in 1949 he had been the strategist behind the nation's longest and cost-

Dresses poorly, said to be a carpenter by trade, ill-nourished, has visionary ideas, associates with common working people, the unemployed and bums. Alien—believed to be a Jew—ALIAS 'Prince of Peace,' Son of Man', 'Light of the World' &c. &c. Professional Agitator, Red Beard, marks on hands and feet the result of injuries inflicted by an angry mob led by respectable citizens and legal authorities.

Arthur J. Goldberg, member of Executive Board, which published above picture.

liest steel strike, which lasted 116 days. And earlier in the forties he had been the chief of the division of the thoroughly communized Office of Strategic Services (OSS) which organized the labor underground activities behind enemy lines. Jacob S. Potofsky ☆, of the CIO, a long-time Communist-fronter, had originally urged that Goldberg be hired as general counsel of the CIO.

JUST A QUESTION :

Will some Senator ask Mr. I. L., of Chicago to come to Washington, and say if Arthur Goldberg was a member of the Communist Party at the same time that he was?

Will the Marxists in Washington do to Mr. I. L. what they did to Ralph DeSola, an ex-communist, when he identified Anna Rosenberg as having attended communist meetings with him.

A CALL TO THE STATES OF THE UNION

Republished from—

REPORT TO AMERICA

Publication of American Coalition of Patriotic Societies, Inc. Wash., D. C.

An "Alert" on the "Outline of Basic Provisions of a Treaty on General and Complete Disarmament in a Peaceful World," presented by the United States Delegation to the Geneva Conference on Disarmament on April 18, 1962, was recently sent to all on the mailing list of the American Coalition Societies.

Briefly summarized, the gist of the 25 page proposed treaty is:

I. Reduction and ultimate abolition of national armed forces, bases, weapons, delivery systems and stockpiles in three progressive stages, "balanced so that no state can gain a military advantage."

II. A United Nations International Disarmament Organization to verify these reductions and abolitions by zonal inspections.

III. A United Nations Peace Force "progressively strengthened until it had sufficient armed forces . . . so that no state could challenge it," together with "compulsory jurisdiction of the International Court of Justice" and a United

Nations Peace Observation Corps, to "keep the peace."

The Defenders of the American Constitution, Inc. an associate of the American Coalition of Patriotic Societies, has addressed the following communication to responsible officials of the State Governments:

DISARMAMENT OF THE UNITED STATES IN A HOSTILE WORLD — PLAN OF ACTION FOR DEFENDING AMERICAN SOVEREIGNTY

The disarmament plan of the Department of State, submitted on April 18, 1962 at Geneva in the form of a proposed "Treaty on General and Complete Disarmament in a Peaceful World," is one of the most incredibly unrealistic and naive schemes ever offered by high officials of our Government. Moreover, in violation of the oath to support the Constitution, it would place control of our armed forces in alien hands, and surrender our independence in an increasingly hostile world. The dangers are such that all Americans should be alerted, with the warning that the proposed treaty would end their status under our Constitution as a sovereign people.

The Defenders of the American Constitution, Inc., a cooperating society of the American Coalition of Patriotic Societies, is sending the following letter to the Governors of all the States as a plan of action for our people, in their highest sovereign capacities through their State Government (Legislatures and Governors), to defend themselves against the proposed "sellout" of their independence:

20 April, 1962

"Sirs:

The disarmament proposal presented by the President's representative at Geneva amounts to an offer to surrender the sovereignty of this Republic and, therefore, of the Sovereign States that contracted to form it under the Constitution.

There is no authority contained in the Constitution for any agency or official of the Federal Government to surrender this sovereignty. Therefore, to do so would be a fatal breach of the Constitution, and a violation of the Constitutional oath.

The Constitution is the contract whereby the individual parties thereto, the States, gave to their appointed agents, the Federal Government, certain powers, and surrendered to them certain of their sovereign prerogatives. The Tenth Amendment makes clear that only such powers as are given in writing in the Constitution can be exercised by the Federal Government.

Under contract law, the parties thereto (in this case the States) are not liable for, and do not have to recognize and adhere to, any act beyond those powers granted in the contract to their agents, (the Federal Government) unless they fail to indicate that such acts are illegal and that they do not intend to be bound by them.

The necessary action is to pass a law to this effect:

THAT THE CONSEQUENCES OF THE DISARMAMENT PROPOSAL PRESENTED BY THE PRESIDENT'S REPRESENTATIVE AT GENEVA INVOLVE THE LOSS OF THE SOVEREIGNTY OF THE REPUBLIC, AND OF THE STATES COMPOSING IT, THEREFORE, SINCE THIS ACT OF THE SURRENDER OF OUR SOVEREIGNTY IS BEYOND THE POWERS OF THE FEDERAL GOVERNMENT UNDER THE CONSTITUTION IT IS IN VIOLATION THEREOF. SUCH BEING THE CASE, THE STATE OF _____ WILL NOT RECOGNIZE THIS ACT AS LAWFUL, WILL NOT ABIDE BY IT, AND WILL TAKE EVERY MEANS AT ITS DISPOSAL TO PROTECT ITSELF AGAINST ANY ATTEMPT TO SURRENDER ITS SOVEREIGNTY.

The Defenders of the American Constitution, therefore, appeal to you to take immediate steps to call the Legislature into being for the purpose of passing such a law.
